

HB 181 -- FUNDING BASIC CIVIL LEGAL SERVICES

SPONSOR: Parker

Currently, the "Basic Civil Legal Services Fund" is set to expire on December 31, 2025. The Fund covers the costs of basic civil legal services to eligible low-income persons. This bill repeals the expiration date. It also corrects an incorrect reference to a provision in the Missouri Constitution.

This bill is the same as HB 1838 (2024).
