

HB 189 -- RIGHT OF TRIAL BY JURY

SPONSOR: Clemens

This bill establishes the "Seventh Amendment Preservation Act", which specifies that the Constitutions of the United States and Missouri occupy and preempt legislation involving civil litigation and laws, rules, orders, or other actions that restrict a resident's day in court, and it provides certain protections for a citizen's Constitutional right to receive his or her day in court.

This bill is the same as HB 1588 (2024) and HB 600 (2023).
