

HB 207 -- DEPARTMENT OF REVENUE FEE OFFICES (Hinman)

COMMITTEE OF ORIGIN: Standing Committee on General Laws

This bill increases service fees charged by Department of Revenue fee offices for certain transactions.

Currently, priority is given to certain organizations that are exempt as nonprofit entities in the competitive bidding process. This bill will provide at least five percent of evaluation credit to such entities in the bidding process.

Currently, special consideration is given to organizations that reinvest a minimum of 75% of their net proceeds to charitable organizations in Missouri in the competitive bidding process. This bill will provide at least five percent of evaluation credit to such entities in the bidding process.

The bill also specifies that the Director of the Department of Revenue can not award fee office contracts to entities affiliated with a current employee of the Department or with a former employee of the Department for the one-year period following the employee's termination of employment, and no person affiliated in any manner with an entity awarded a fee office contract will be affiliated with a motor vehicle title service agent.

The Director can extend certain fee office contracts by up to five years. When deciding whether to extend a contract, the Director must evaluate performance under the contract.
