

HB 234 -- HAZING

SPONSOR: Gallick

This bill modifies the offense of hazing to prevent an individual from being found guilty if the individual is the first to call 911 or campus security to report a need for medical assistance as specified in the bill. The individual must remain at the scene until assistance, law enforcement, or security arrives. The bill also specifies that any individual who renders aid to a hazing victim is immune from prosecution for hazing as specified in the bill.

This bill is the same as HCS HB 1443 (2024) and similar to HB 240 (2023).
