

HB 377 -- PUBLICATION OF PUBLIC NOTICES

SPONSOR: Casteel

This bill provides that in any county with a charter form of government, any notice required by law to be published in a newspaper can be published in a newspaper or on the Secretary of State's website. The Secretary of State must develop procedures for submission of the notices and create a specific page on its website that will contain all the notices in a searchable format.

This bill is similar to HB 2328 (2024).
