

HB 602 -- OFFICIAL STATE ROCK RADIO STATION

SPONSOR: Lucas

COMMITTEE ACTION: Voted "Do Pass" by the Special Committee on Tourism by a vote of 10 to 0.

This bill designates "KSHE 95" as the official rock station of the State of Missouri.

PROPONENTS: Supporters say that KSHE 95 is the longest running rock station in the world. The station is very engaged in Missouri communities and holds many events that bring people together.

Testifying in person for the bill was Representative Lucas.

There was no opposition voiced to the committee.

Written testimony has been submitted for this bill. The full written testimony and witnesses testifying online can be found under Testimony on the bill page on the House website.
