

HB 668 -- SELF-STORAGE FACILITIES

SPONSOR: Diehl

This bill modifies the requirements of notice for sale by an operator of a self-service storage facility for the sale of personal property of an occupant in default. In addition to advertising in the classified section of a newspaper prior to sale, the operator may also and instead advertise in any other commercially reasonable manner. The advertisement is commercially reasonable if at least three independent bidders attend the sale.

This bill is the same as HB 1948 (2024) and HB 1120 (2023)
