

HCS HB 736 -- ORDERS OF PROTECTION (Dolan)

COMMITTEE OF ORIGIN: Standing Committee on Judiciary

The bill amends the definitions of "adult" and "child" in Chapter 455, RSMo, related to protective orders resulting from adult abuse. Currently, "adult" is defined as any person 17 years of age or older, and "child" is defined as any person under 17 years of age. This bill increases the age reference from 17 to 18.
