

HB 869 -- AUDITS OF STATE ENTITIES

SPONSOR: Riggs

This bill requires independent performance audits for economy and efficiency to be conducted once every four years on each state department, the General Assembly, the judiciary, and executive branch offices. The Office of Administration will solicit bids and select an independent auditor. Results of these audits must be posted on the public website of each public agency.

This bill is the same as HB 310 (2023) and HB 1815 (2024).
