

HB 891 -- POSSESSION OF CERTAIN WEAPONS

SPONSOR: Price

The bill creates the offense of unlawful possession a "large capacity ammunition feeding device", defined as a magazine, belt, drum, feed strip, or other similar device that has the capacity to hold more than 10 rounds of ammunition, which will be a class A misdemeanor. The bill also makes the definition of "antique firearm" consistent with federal law.

This bill is similar to HB 2516 (2024).
