

HB 928 -- WATERWAYS AND PORTS TRUST FUND (Taylor (48))

COMMITTEE OF ORIGIN: Standing Committee on Transportation

This bill specifies that funds in the Waterways and Ports Trust Fund can only be withdrawn at the request of a Missouri Port Authority for statutorily permitted port purposes and adds the City of St. Louis to the locations in which a capital improvement project can be sited in order to receive an appropriation from the Waterways and Ports Trust Fund.

This bill is the same as HB 685 (2025) and similar to HB 2216 (2024).
