

HB 1065 -- HIGHWAY PATROL SALARIES

SPONSOR: Parker

Currently, the salary schedule report prepared by the Superintendent of the State Highway Patrol must include a comparison of the three largest police departments in the State. This bill requires the report to also include a comparison of the salaries and benefits of police officers employed by the law enforcement agencies located in surrounding states as specified in the bill.

This bill is the same as HB 2701 (2024).
