

HB 1101 -- UNLAWFUL USE OF UNMANNED AIRCRAFTS

SPONSOR: Van Schoiack

This bill creates the offense of unlawful use of an unmanned aircraft over a crime scene, critical incident, law enforcement tactical operation, or hazardous material site, which is a class A misdemeanor and which a person commits if he or she operates an unmanned aircraft within a certain distance from a crime scene, critical incident, law enforcement tactical operation, or hazardous material site or allows an unmanned aircraft to make contact with this type of location. The bill provides exceptions to the offense.
