

HB 1248 -- ABANDONED PROPERTY

SPONSOR: Simmons

This bill requires a person whose abandoned property has been towed, to have the contents released to him or her upon request. The company holding or storing the abandoned property can require the owner to complete documentation showing the property was released to the owner. The company must provide an itemized receipt for the property.

This bill is similar to HCS HB 543 (2023).
