

HB 1340 -- DONATION OF ALCOHOLIC BEVERAGES TO CERTAIN ORGANIZATIONS

SPONSOR: Myers

Currently, manufacturers, wholesalers, retailers, and unlicensed persons may donate wine to a charitable or religious organization or educational institution for the sole purpose of being auctioned for fund-raising purposes under certain circumstances.

This bill adds beer, malt liquor, or spirits to the list of alcohol-based beverages that may be donated and allows the donated items to also be raffled.
