

HB 1465 -- LICENSURE OF ENTITIES INVOLVED IN THE DISTRIBUTION OF
DRUGS

SPONSOR: Hruza

Currently, no person or outlet can act as a wholesale drug distributor, pharmacy distributor, drug outsourcer, or third-party logistics provider without obtaining a license from the Missouri Board of Pharmacy. Temporary licenses can be granted while an application is being processed. Separate licenses are required for each distribution site.

The Board can permit out-of-state entities to be licensed in Missouri if they possess a valid license from another state with comparable standards and if the other state offers reciprocal treatment to Missouri entities.

This bill provides that if a state license is not issued by the out-of-state wholesale drug distributor's resident state, out-of-state wholesale drug distributors and third-party logistics providers with a current and valid drug distributor accreditation from the National Association of Boards of Pharmacy or its successor may be eligible for the license.
