

HB 1475 -- VOTER REGISTRATION

SPONSOR: Sparks

Currently, United States citizens born abroad who have never lived in the United States are ineligible to register to vote in Missouri.

This bill would allow a person born abroad to a parent who is a U.S. citizen and eligible to vote in Missouri to register to vote with the election authority of the parent's last address in Missouri.

This bill would only take effect upon the passage of a constitutional amendment authorizing this process.
