

HB 1553 -- REFUNDABLE STATE INCOME TAX CREDIT

SPONSOR: Woods

Currently, if the amount of the Missouri working family tax credit exceeds the tax liability, the difference must not be refunded to the taxpayer, and it must not be carried forward to any following tax year. This bill provides that, for all tax years beginning on and after January 1, 2026, tax credits issued under the provisions of this section must be refundable.

This bill is the same as HB 1479 (2025).
