

HJR 7 -- GAMING REVENUES

SPONSOR: Griffith

Upon voter approval, this proposed Constitutional amendment changes the allocation of state revenues derived from the conduct of all gaming activities from solely for the public institutions of elementary, secondary, and higher education to now 90% appropriated for the public institutions of elementary, secondary, and higher education and 10% to the administration of the Missouri Veterans Commission. This allocation of appropriation has an effective date of July 1, 2027.

This bill is the same as HJR 74 (2024) and is similar to HJR 12 (2023).
