

SS SCS SB 105 -- NONNATIVE INVASIVE PLANTS

This bill requires that all nurseries and nursery dealers in the State submit to the Department of Agriculture an affidavit that the dealer will not knowingly or intentionally import, export, buy, sell, transport, distribute, or propagate any plant or seeds of Coloratus variety of climbing euonymus, any variety of Japanese Honeysuckle, any variety of Sericea Lespedeza, or perilla mint beginning January 1, 2027, or the Compactus variety of Burning Bush or any variety of Callery Pear beginning January 1, 2029.

This bill is the same as HCS HB 60 (2025).
