I am highly Opposed to this Bill and its intension to limit information, Meeting Records and Documents on Land Boundaries, Spicies and Conservation Efforts throughout the State. This Bill is going to way to far in limiting and closing important documents that all Missourians and Research Experts shall have access too under Chapter 610-The State's Open Meetings and Records Law. The Missouri Department of Conservation shall not be allowed to hide douments and information from the public. Defeat this Bill!!

No, you may not close meetings, records, and votes related to the state militia, the National Guard, or any part thereof. How dare Sassman put such an idea forth.
