I am in full Support of this Bill. There is a Political Law Enforcement Power and Control taking place in the State Capitol between the Missouri Capitol Police Department and the Security Division of the Missouri House of Representatives and the Missouri Senate. There is little to NO shaing of vital Public Safety Information and known intelligence from the Capitol Police Department, the Governor Security Team, the Missouri Department of Public Safety, the Missouri Highway Patrol with the Security Teams of the Missouri State Senate and the Missouri House of Representatives. This NEEDS to STOP immediately! We NEED to make sure that every person is kept safe within the State Capitol Complex. Every member of the Security Teams are Former or Retired Missouri P.O.S.T. Commission Ceritified. Let's STOP the "Political Turf Wars!" Let's get his Bill onto the Governor Desk.

I can see why the bill sponsor introduced this, since Trump supporters are known for trespassing in and vandalizing government buildings and threatening the lives of elected officials and their staffs. However, here in Missouri, it's the elected officials who are attacking Missourians, threatening lives and livelihoods.
