I am in Support of this Bill and allowing Private Schools to designate Restroom to be used by Females and Males. This Bill provides Immunity from certain Civil-Liability of the School and the Payment of their Attorney Fees. This is the correct Legislation to Prohibit any Town, Village, Municipality or County from enacting any Ordinances.

To think that a school needs immunity from liability for simply having boys and girls' restrooms is mind-boggling. Do they need immunity from liability for drinking fountains and student desks as well? Nevertheless, to whatever extent this bill is necessary, I would support it.
