The UA 562 Plumbers & Pipefitters are **OPPOSED** to to HB 1247. It prohibits state and local licensing requirements for certain industrial mechanical work. The Missouri UA Plumbers, Pipefitters, Sprinkler Fitters and HVACR Service Techs are some of the most Highly Skilled Workforce in the United States. Workforce Development and Apprenticeship Programs is what helps drive the Missouri Economy. Individual licenses show that each Trade Person understands the principles of all mechanical systems and qualified to work in Missouri. The continuing education programs needed to maintain the license will continue to upgrade the skills needed to install mechanical systems and new technologies being developed each year.
