The Missouri Parks Association (MPA) fully supports HB 59. As a statewide advocate for Missouri's State Parks and Historic Sites, we back this important legislation to protect the personal information of visitors who make reservations for camping, lodging, or shelters at Missouri's parks and historic sites. Representing nearly 3,000 members who invest in and enjoy Missouri's parks, as well as the more than 18 million annual visitors, MPA is committed to ensuring the security and privacy of all park users. We stand behind HB 59 to safeguard the personal data of those who use the Missouri State Park system.

Dear Chairman Pollitt and Members of the Committee, Missouri Coalition for the Environment is a statewide, advocacy nonprofit organization that works to empower Missourians to protect their environment and health. House bill 59 adds individually identifiable customer information for visitors who make a camping, lodging, or other shelter reservation for a State park or historic site to the list of records that are exempt from disclosure under the Sunshine law, unless the records are requested by or authorized for release by the visitor. We at MCE support this bill and urge you and the fellow members of the committee to vote "yes" on HB 59
