I am in Support of the Full-100-percent Deduction of all Personal Property Taxes paid to 115 Missouri Counties and the City of Saint Louis. Missourians Deserve and NEED Tax Relief. We are being Taxe dover and over and over again for the same Property that we paid Sales-Taxes to the Missouri Department of Revenue (For Highways and State Highway Patrol) and for the distribution to the County, Cities and Villages. Enough is Enough!

We support this bill as it may be the only practical way that we will be able to eliminate the impact of personal property taxes in Missouri.

Based upon the fiscal analysis of 2024's HB 1812, I cannot support HB 859. It appears that it would reduce the amount of funds available to the state, which should be used to benefit all Missourians while saving the most money for the top-earning tax bracket. Those with the highest personal property taxes are often those with the highest income.
