I am in full Support of this Bill and Legislation to Protect and have rights for abuse against Animals, with Penalties. In addition, if a false Claim or Report is made that is untrue and maliciously made, that the person making the False Report is Charged appropriately. It is fitting to honor the Former Late State Senator Dr. Dan Wayne Brown. I only Pray and Wish that Senator Dan Brown instilled Wisdom, Compassion, Understanding and Caring of other Missourians in his son current Sen. Justin Brown, who does not care about Missourians, who travel long distances to the State Capitol to Testify at Senate Committee Hearings. Justin Brown just does not care about how he treats others, especially when he does not get what he wants and expects you to bow-down to his wishes.

I have owned cattle, horses, chickens, stock dogs, barn cats over a long period of years; and, always followed the Bible's admonition "to be kind to dumb animals" ('dumb' being unable to speak).I think this bill could deter, punish someone who has a 'grudge'or dislike for those who raise/sell animals who do not abuse them.
