Offered By \_\_\_\_\_

1 AMEND Senate Substitute No. 2 for Senate Committee Substitute for Senate Bill No. 3, Pages 12-  
2 13, Section 100.240, Lines 13-48, by deleting all of said lines and inserting in lieu thereof the  
3 following:

4  
5 "(1) "Adjusted baseline state average", the average of the state tax revenues, as defined  
6 under subdivision (13) of this subsection, received in the five calendar years immediately preceding  
7 the submission of an application to the department under this section, excluding the values of the  
8 highest and lowest years of state tax revenues;

9 (2) "Adjusted baseline state tax revenues", the state tax revenues derived directly from the  
10 operations of the athletic and entertainment facility of the professional sports franchise, including  
11 vendors and tenants located in the athletic and entertainment facility but excluding all state tax  
12 revenues derived from matches of the 2026 FIFA World Cup soccer tournament which are held in  
13 any county with more than seven hundred thousand but fewer than eight hundred thousand  
14 inhabitants, as calculated under the adjusted baseline state average;

15 (3) "Athletic and entertainment facility", structures, fixtures, systems, and facilities of sports  
16 and entertainment venues with seating capacity of more than thirty thousand, including associated  
17 parking facilities, and that the director and commissioner determine is a contributing factor in the  
18 attraction or retention of sports, recreational, or entertainment activities, whether professional,  
19 commercial, or private, and a primary factor in the retention of a professional sports franchise in the  
20 state. An athletic and entertainment facility may include a professional sports franchise's  
21 headquarters facility and training facility, regardless of whether they are co-located in or adjacent to  
22 the stadium, but still located within the state. Such structures, fixtures, systems, and facilities may  
23 include, but are not limited to, foundations, roofs, interior and exterior walls or windows, floors,  
24 steps, stairs, concourses, hallways, restrooms, event or meeting spaces or other hospitality-related  
25 areas, concession or food preparation areas, or services systems such as mechanical, gas utility,  
26 electrical, lighting, communication, sound, sanitary, HVAC, elevator, escalator, plumbing, sprinkler,  
27 cabling and wiring, life-safety security cameras, access deterrents, public safety improvements, or  
28 other building systems;"; and
