4 "407.3007. 1. As used in this section, the following terms mean:

5 (1) "Artificial intelligence" or "AI":

6 (a) Any artificial system that performs tasks under varying and unpredictable  
7 circumstances without significant human oversight or that can learn from experience and  
8 improve performance when exposed to data sets;

9 (b) An artificial system developed in computer software, physical hardware, or other  
10 computer systems that solves tasks requiring human-like perception, cognition, planning,  
11 learning, communication, or physical action;

12 (c) An artificial system designed to think or act like a human, including cognitive  
13 architectures and neural networks;

14 (d) A set of techniques, including machine learning, that is designed to approximate a  
15 cognitive task; or

16 (e) An artificial system designed to act rationally, including an intelligent software agent  
17 or embodied robot that achieves goals using perception, planning, reasoning, learning,  
18 communicating, decision-making, and acting;

19 (2) "Mental health professional", the same as defined in section 632.005. The term  
20 "mental health professional" shall also include any person licensed in a profession regulated  
21 under chapter 337.

22 2. Any person or entity that develops or deploys artificial intelligence in the state shall  
23 not advertise or represent to the public that the AI is or is able to act as a mental health  
24 professional or is capable of providing therapy services, psychotherapy services, or a mental  
25 health diagnosis.

26 3. Any violation of this section shall be considered an unlawful practice under the  
27 Missouri merchandising practices act under this chapter.

28 4. The attorney general shall enforce the provisions of this section. Any individual may  
29 report violations of this section to the attorney general. If the attorney general finds that a  
30 violation occurred, the attorney general shall commence a civil action in a court of competent
