FISCAL ANALYSIS

ASSUMPTION

§407.932 – Tobacco Products

Officials from the **Department of Public Safety – Division of Alcohol and Tobacco Control**, **Department of Revenue** and **Department of Mental Health** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above-mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

In response to similar legislation, HB 2060 (2024), officials from **Office of Administration - Budget and Planning** assumed the proposal would have no fiscal impact on their organization.

Officials from the **City of Kansas City** assume there will be a negative fiscal impact of \$500.

Oversight inquired of the City of Kansas City as to what the \$500 cost is for; however, Oversight did not hear back from them before the fiscal note was due. Oversight assumes this costs is minimal and can be absorbed by the City of Kansas City.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other local political subdivisions and county clerks were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
