FISCAL IMPACT – Small Business

By providing for completion of a clinical fellowship under the direct supervision of a licensed speech-language pathologist in good standing, rather than under the direct supervision of a person licensed by the state of Missouri in the profession in which the applicant seeks to be licensed, a direct fiscal impact to speech pathologists and audiologists could be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
