FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue** did not respond to **Oversight’s** request for fiscal impact for this proposal.

§144.039 – Sales Tax Exemption for Purchases by State Legislators

Officials from the **Office of Administration - Budget and Planning** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

Officials from the **Missouri Department of Conservation** assume an unknown fiscal impact. The Conservation Sales Tax funds are derived from one-eighth of one percent sales and use tax pursuant to Article IV Section 43 (a) of the Missouri Constitution. The Department defers to the Department of Revenue as it is responsible for tax collection and would be better able to estimate the anticipated fiscal impact that would result from this proposal.

Oversight assumes this proposal provides clarifying language for the sales tax exemption under Section 144.039 and does not expand the current exemption or create a new exemption. Oversight assumes purchases of all tangible personal property made by, or on behalf of, a state senator or state representative are already exempt under current law, therefore Oversight will reflect a zero impact on the fiscal note.

Officials from the **City of Kansas City** assume the proposed legislation has a small negative fiscal impact of an indeterminate amount.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other local political subdivisions were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
