FISCAL ANALYSIS

ASSUMPTION

§650.935 – “Task Force on Gun Violence in the City of St. Louis”

Officials from the **City of St. Louis** and the **St. Louis Metropolitan Police Department** did not respond to **Oversight**’s request for fiscal impact for this proposal.

Officials from the **Department of Public Safety - Office of the Director (DO)** assume this proposal creates the “Task Force on Gun Violence in the City of St. Louis” and further provides that the DO is responsible for the administrative support of the program. DO states 1 FTE (Lead Administrative Support Assistant) at a cost of \$46,152 annually will be needed to provide support for the task force. Anticipated costs are as follows:

FY 2027 - \$73,871

FY 2028 - \$87,880

FY 2029 - \$89,311

Oversight notes the Task Force shall have an initial meeting before January 1, 2027 (FY27) and expire on December 31, 2028 (FY29) unless it is extended until December 31, 2030, as determined necessary by the DO. The DO is to provide administrative support to the task force.

Oversight assumes the DO is provided with core funding to handle a certain amount of activity each year. Oversight assumes the DO could absorb the costs related to this proposal. If multiple bills pass, which require additional staffing and duties at substantial costs, DO could request funding through the appropriation process.

Officials from the **Missouri Senate (SEN)** assume a negative fiscal impact to reimburse 2 Senators for travel to the Task Force on Gun Violence in St. Louis City meetings at a cost of \$357.00 per meeting.

Oversight assumes the SEN is provided with core funding to handle a certain amount of activity each year. Oversight assumes the SEN could absorb the costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, the SEN could request funding through the appropriation process.

Officials from the **Missouri Highway Patrol** and the **Missouri House of Representatives** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.
