FISCAL ANALYSIS

ASSUMPTION

§§516.120, 516.130, and 537.046 – Statutes of Limitation

In response to a previous version, HB 1664 (2026), officials from the **Office of Attorney General (AGO)** assumed any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

Oversight does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Department of Commerce and Insurance, Department of Corrections, Department of Labor and Industrial Relations, Department of Public Safety - Missouri Highway Patrol, Department of Social Services, Office of the State Courts Administrator, Office of the Secretary of State, Office of the State Public Defender and Missouri Office of Prosecution Services** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.
