FISCAL ANALYSIS

ASSUMPTION

§40.490 - Rights of Military Service Members

Officials from the **Office of Administration – Budget & Planning (B&P)** assume this legislation would add requirements for employers under the Servicemembers Civil Relief Act. Article IX, Section 7 of the Missouri Constitution requires that penalties, forfeitures, and fines collected for violations of state law be distributed to the schools. To the extent any additional such revenues are deposited into the state treasury, TSR may increase.

Oversight notes that violations of §40.490 could result in fines or penalties. Oversight also notes per Article IX Section 7 of the Missouri Constitution fines and penalties collected by counties are distributed to school districts. Fines vary widely from year to year and are distributed to the school district where the violation occurred. Oversight will reflect a positive fiscal impact of \$0 or Unknown to local school districts. For simplicity, Oversight will not reflect the possibility that fine revenue paid to school districts may act as a subtraction in the foundation formula.

Officials from the **Department of Commerce and Insurance** and **Department of Mental Health** both defer to the OA for the potential fiscal impact of this proposal.

Officials from the **Attorney General's Office, Department of Corrections, Department of Economic Development, Department of Elementary and Secondary Education, Department of Health and Senior Services, Department of Higher Education and Workforce Development, Department of Labor and Industrial Relations, Department of Natural Resources, Department of Public Safety (Division of Alcohol and Tobacco Control, Capitol Police, Fire Safety, Missouri Gaming Commission, Missouri Veterans Commission, Office of the Director, State Emergency Management Agency), Department of Revenue, Department of Social Services, Joint Committee on Administrative Rules, Joint Committee on Legislative Research (Legislative Research and Oversight Division), Missouri Consolidated Health Care Plan, Missouri Department of Agriculture, Missouri Department of Conservation, Missouri Department of Transportation, Missouri Ethics Commission, Missouri House of Representatives, Missouri Lottery Commission, Missouri National Guard, Missouri Senate, Missouri State Employee's Retirement System, Office of Administration (Director's Office and Administrative Hearing Commission), Office of the Governor, Office of the Lieutenant Governor, Office of the Secretary of State, Office of the State Auditor, Office of the State Public Defender, Office of the State Treasurer and State Tax Commission** each assume the proposal will have no fiscal impact on their respective organizations for this proposal.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials from the **University Missouri System** assume the University has reviewed this proposed legislation and does not anticipate a significant financial impact.

Officials from the **University of Central Missouri** and **Northwest Missouri State University** both assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.
