**FISCAL ANALYSIS**

**ASSUMPTION**

**§143.591- Employer Electric Filing**

Officials from the **Department of Revenue (DOR)** note this proposal starting January 1, 2027, would require an employer with 10 or more employees to file the returns for tax withholding electronically with DOR. Currently only those employers with 250 or more employees are required to file electronically. The Internal Revenue Service began with tax year 2023 requiring all employers with 10 or more employees to file electronically with them.

DOR would need to update its Form 4282 and W-2 form at a cost of \$2,200 each. The department also would need to update its website and computer program at a cost of \$1,887. DOR would also need to notify registered businesses through various means.

**Oversight** notes the DOR requests a one-time cost for website, form changes and computer updates to comply with the proposed language; however, Oversight notes that DOR receives appropriation for routine website updates and will not show those costs in the fiscal note.

Officials from the **Office of Administration - Budget and Planning (B&P)** assume this proposal will not impact: - TSR - The calculation under Article X, Section 18(e) - B&P.

**Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

<u>FISCAL IMPACT – State Government</u>	FY 2027 (10 Mo.)	FY 2028	FY 2029
	<b><u>\$0</u></b>	<b><u>\$0</u></b>	<b><u>\$0</u></b>

<u>FISCAL IMPACT – Local Government</u>	FY 2027 (10 Mo.)	FY 2028	FY 2029
	<b><u>\$0</u></b>	<b><u>\$0</u></b>	<b><u>\$0</u></b>

**FISCAL IMPACT – Small Business**

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
