FISCAL ANALYSIS

ASSUMPTION

§§217.362, 302.309 & 559.115 – Limited Driving Privileges

Officials from the **Department of Revenue (DOR)** assume this legislation will likely lead to an increase in limited driving privilege court orders received by the department. There is no data to assist in determining the volume of orders the department will receive but DOR anticipates it will not cause additional FTE. If the increase is more significant than anticipated, and unable to be absorbed by existing staff, additional FTE may be requested through the routine appropriations process.

Oversight assumes DOR is provided with core funding to handle a certain amount of activity each year. Oversight assumes DOR could absorb the costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, DOR could request funding through the appropriation process.

Officials from the **Missouri Highway Patrol** and **Department of Corrections** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation, HB 1531 (2025), officials from the **Office of the State Courts Administrator** assumed there would be no fiscal impact on their agency.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, county circuit clerks were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
