§§229.130, 229.160, 229.210, 229.220, 229.222, 229.270, 229.420, 229.430, 229.440 & 229.450
– Transportation Provisions

Officials from **Missouri Department of Transportation, Department of Public Safety - Missouri Highway Patrol and Department of Revenue** the each assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials from the **City of Kansas City** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight notes the following misdemeanor convictions for violations of §229.210 (driving on a bridge/highway under construction):

Fiscal Year	Number of Misdemeanor Convictions (§229.210)
2025	15
2024	5
2023	22
2022	19
2021	5
2020	20

Oversight notes there is a fine of not less than \$500 and not more than \$1,000 for violations of §229.210. Oversight notes the proposal is eliminating the misdemeanor charge; therefore, fine revenue will decrease. However, Oversight notes the number of convictions have been minimal; therefore, Oversight will not reflect the decrease in fine revenue on the fiscal note.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other local political subdivisions were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
