FISCAL ANALYSIS

ASSUMPTION

§260.217 - Solid Waste Disposal.

Officials from the **Department of Natural Resources** assume the proposal will have no fiscal impact on their organization.

Oversight notes that the above-mentioned agency has stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials from the **City of Kansas City** assume the proposed legislation has a negative fiscal impact of an indeterminate amount because it will limit the areas where the city could build a facility.

Oversight notes the proposal allows counties to adopt an ordinance, rule, regulation, or standard relating to solid waste disposal; however, the proposal does not mandate counties to do so. Oversight assumes there will be no direct fiscal impact to the City of Kansas City.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other local political subdivisions were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
