FISCAL ANALYSIS

ASSUMPTION

§43.265 – Highway Patrol’s Motor Vehicle, Aircraft, and Watercraft Revolving Fund

Officials from the **Missouri Highway Patrol** and **Office of the State Treasurer** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above-mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight notes the current threshold for a specific appropriation from the General Assembly for the purchase and maintenance of Highway Patrol motor vehicles, watercraft, watercraft motors, trailers, aircraft and aircraft parts is \$100,000. This proposal would increase the threshold to \$500,000.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
