FISCAL ANALYSIS

ASSUMPTION

§§506.602 and 508.074 – Prohibits Application of Foreign Laws in Missouri

In response to a previous version, HB 2139 (20267), officials from the **Office of the State Courts Administrator (OSCA)** stated HB 2139 may have some impact but there is no way to quantify that amount currently. Any significant changes will be reflected in future budget requests.

Oversight notes OSCA assumes this proposal may have some impact on their organization although it can't be quantified at this time. As OSCA is unable to provide additional information regarding the potential impact, Oversight assumes the proposed legislation will have a \$0 or (Unknown) cost to the General Revenue Fund. For fiscal note purposes, Oversight also assumes the impact will be under \$250,000 annually. If this assumption is incorrect, this would alter the fiscal impact as presented in this fiscal note. If additional information is received, Oversight will review it to determine if an updated fiscal note should be prepared and seek approval to publish a new fiscal note.

Officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

Oversight does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Office of Administration - Administrative Hearing Commission, Missouri Department of Conservation, Office of the Secretary of State, Department of Labor and Industrial Relations, Department of Social Services, Missouri Department of Transportation, and Office of Administration** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

FISCAL IMPACT – Small Business

FISCAL DESCRIPTION

This proposal provides that application of any foreign law, legal code, or system that denies the parties the fundamental liberties, rights, and privileges guaranteed under the Constitution of the United States or the Constitution of Missouri shall be prohibited and any legal document or court decision that purports to apply such law, code or system shall be void and unenforceable.

The provisions do not apply to existing precedent of the Missouri supreme court, limited adjudication of ecclesiastical matters, corporations, partnerships or associations that voluntarily subject themselves to foreign law or where federal law preempts state law.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
