## FISCAL ANALYSIS

### ASSUMPTION

§§227.895, 227.898, 227.900, 227.902, 227.903, 227.906, 227.907, 227.908, 227.909, 227.911 and 227.913 – Memorial Highway and Bridge Naming

Officials from **Missouri Department of Transportation (MoDOT)** assume the following:

227.895 - Carl G Koester Memorial Highway will have no impact.

227.898 - Gary D McCormack Nemo Macto Unus Memorial Highway will have no impact.

The sign is to be paid for by MoDOT. However, it is a designation that was passed by the Joint Committee on Transportation Oversight in 2008. The sign has already been replaced within the original sunset. No new sign installation is required as the signs are already installed on the roadway and are in good condition.

227.900 - Army SSG Salvatore Palazzolo Memorial Bridge

This section is estimated to have a total negative impact on the State Road Fund of \$4383.68. This would be a one-time expense as the language requires MoDOT to fund this designation with no costs for sign fabrication and installation recouped through the participation fee. The estimated cost is \$2191.84 per sign, with 2 total signs for this designation.

227.901 - WWII Robert Earl Sauls Memorial Highway will have no impact.

227.902 - Captain Vernon Collett Memorial Highway

This section is estimated to have a total negative impact on the State Road Fund of \$4383.68. This would be a one-time expense as the language requires MoDOT to fund this designation with no costs for sign fabrication and installation recouped through the participation fee. The estimated cost is \$2191.84 per sign, with 2 total signs for this designation.

227.903 - Dr Tommy Macdonnell Memorial Bridge

This section is estimated to have a total negative impact on the State Road Fund of \$4383.68. This would be a one-time expense as the language requires MoDOT to fund this designation with no costs for sign fabrication and installation recouped through the participation fee. The estimated cost is \$2191.84 per sign, with 2 total signs for this designation.

As the honoree does not meet the circumstances outlined in section 227.296 for the fee to be waived, the language should read "with the costs to be paid by private donations."

227.904 - Dr Scott Hall Memorial Highway will have no impact.

227.905 - Jerrad Bennett Memorial Bridge will have no impact.

227.906 - Firefighter Paramedic Graham J Hoffman Memorial Highway

This section is estimated to have a total negative impact on the State Road Fund of \$4383.68. This would be a one-time expense as the language requires MoDOT to fund this designation with no costs for sign fabrication and installation recouped through the participation fee. The estimated cost is \$2191.84 per sign, with 2 total signs for this designation.

227.907 - PVT William W Smith Memorial Bridge

This section is estimated to have a total negative impact on the State Road Fund of \$4383.68. This would be a one-time expense as the language requires MoDOT to fund this designation with no costs for sign fabrication and installation recouped through the participation fee. The estimated cost is \$2191.84 per sign, with 2 total signs for this designation.

227.908 - CPL Vernon D Jobe Memorial Bridge

This section is estimated to have a total negative impact on the State Road Fund of \$4383.68. This would be a one-time expense as the language requires MoDOT to fund this designation with no costs for sign fabrication and installation recouped through the participation fee. The estimated cost is \$2191.84 per sign, with 2 total signs for this designation.

227.909 - PVT Charles A Paxton Memorial Bridge

This section is estimated to have a total negative impact on the State Road Fund of \$4383.68. This would be a one-time expense as the language requires MoDOT to fund this designation with no costs for sign fabrication and installation recouped through the participation fee. The estimated cost is \$2191.84 per sign, with 2 total signs for this designation.

227.910 - Mayor Mary Louise Carter Highway will have no impact.

227.911 - Army PFC Gary Prather Memorial Highway

This section is estimated to have a total negative impact on the State Road Fund of \$4383.68. This would be a one-time expense as the language requires MoDOT to fund this designation with no costs for sign fabrication and installation recouped through the participation fee. The estimated cost is \$2191.84 per sign, with 2 total signs for this designation.

227.912 - Emmett Kelly Sr Memorial Highway will have no impact.

227.913 - Police Chief Richard A Hughes Memorial Highway

This section is estimated to have a total negative impact on the State Road Fund of \$4383.68. This would be a one-time expense as the language requires MoDOT to fund this designation with no costs for sign fabrication and installation recouped through the participation fee. The estimated cost is \$2191.84 per sign, with 2 total signs for this designation.

**Oversight** notes the proposal is estimated to have a total negative impact on the State Road Fund of \$39,453. Oversight does not have any information to the contrary. Therefore, Oversight will reflect the estimated impact by MoDOT in the fiscal note.

§§9.025, 9.358, 9.413, 9.418, 9.501, 9.502 9.504, 9.509, 9.510, 9.516, 10.281, 10.282, 10.283, 10.284, 10.287, 10.288, 10.289 and 10.292 - Various Naming Days

Officials from **Office of Administration, Missouri Department of Conservation, and Department of Health and Senior Services** both assume this proposal will have no fiscal impact on their respective organizations.

**Oversight** notes that the above-mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.
