FISCAL ANALYSIS

ASSUMPTION

§493.220 – Publication of Public Notices for Charter Counties

Officials from the **Office of the Secretary of State** and the **Joint Committee on Administrative Rules** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight notes charter counties are currently required to publish statutorily-required notices on the internet as well as in a newspaper per §§493.027, 493.050 and 493.055. Therefore, Oversight assumes no fiscal impact to local political subdivisions.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, the charter counties of Clay, Jackson, Jefferson, St. Charles and St. Louis were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
