**FISCAL ANALYSIS**

**ASSUMPTION**

**§§71.012 & 71.015 – Annexation by Certain Cities**

Officials from the **Department of Natural Resources, Missouri Department of Transportation, Office of the Secretary of State, Office of the State Courts Administrator, City of Kansas City, Platte County Board of Elections, St. Louis City Board of Elections, St. Louis County Board of Elections, City of St. Louis Assessor’s Office, Branson Police Department, Kansas City Police Department, St. Louis County Police Department, Metropolitan St. Louis Sewer District, South River Drainage District and the Wayne County PWS #2** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation, HB 631 (2025), officials from the **City of Osceola, Jackson County Election Board, Kansas City Election Board, and Osceola Water/Wastewater District** each assumed the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** states §71.014 in current law provides an additional annexation procedure for cities in certain counties using a petition process rather than a vote of the residents of the annexed area. This proposal would repeal this section and is not anticipated to have a fiscal impact.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other cities, local election authorities, counties, county assessors, county circuit clerks, police departments, fire protection districts and utility districts were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
