FISCAL ANALYSIS

ASSUMPTION

§168.021 - Certificates of License to Teach in Public Schools

Officials from the **Department of Elementary and Secondary Education, Department of Higher Education and Workforce Development and Department of Public Safety – Highway Patrol** each assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

Officials from the **University of Central Missouri** assume an indeterminate fiscal impact, possible reduction in students enrolling in education programs to obtaining certificate instead.

Officials from the **Northwest Missouri State University** assume the proposal will have no fiscal impact on their organization.

Oversight assumes because the potential for decreases in enrollment is speculative that the colleges and universities will not incur significant revenue loss related to this proposal. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other school districts, colleges, universities, and community colleges were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
