FISCAL ANALYSIS

ASSUMPTION

§86.213 – Police Retirement System for the City of St. Louis

Officials from the **City of St. Louis, St. Louis Metropolitan Police Department** and the **St. Louis Employees Retirement System** did not respond to **Oversight’s** request for fiscal impact for this proposal.

Officials from the **St. Louis Police Retirement System** assume this proposal would modify the terms of membership of the Board of Trustees of the Police Retirement System of St. Louis (“Board”), specifically, the terms served by the Trustees to be appointed by the Mayor of the City of St. Louis. Currently, the two (2) mayoral appointments to the Board are each for two (2)-year terms and those terms expire at the same time. HB 2884 would “stagger” the terms of the two mayoral appointees by initially providing for one appointee to serve a one (1)-year term and the other a two (2)-year term and thereafter having two (2)-year terms for all mayoral appointees. HB 2884 would also authorize mayoral appointees to remain serving as Trustees until their successors have been appointed.

This bill, if passed, would have no fiscal impact. The number of Trustees would remain the same and only the start and end dates of the terms of the mayoral appointees would be affected. Moreover, Trustees receive no compensation for their service on the Board of Trustees.

Oversight assumes this proposal modifies provisions relating to certain appointments to the Board of Trustees of the Police Retirement System of the City of St. Louis and will not have a direct fiscal impact.

<u>FISCAL IMPACT – State Government</u>	FY 2027 (10 Mo.)	FY 2028	FY 2029

<u>FISCAL IMPACT – Local Government</u>	FY 2027 (10 Mo.)	FY 2028	FY 2029
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
