**ASSUMPTION**

Officials from the **City of St. Louis** and **St. Louis County** did not respond to **Oversight’s** request for fiscal impact for this proposal.

70.385 – Bi-State Development Agency

Officials from the **Office of the Governor (GOV)** state this bill revises the Governor’s current load of appointment duties. Individually, additional requirements should not fiscally impact the GOV. However, the cumulative impact of additional appointment duties across all enacted legislation may require additional resources for the GOV.

Officials from the **Missouri Department of Transportation** and the **Bi-State Development Agency** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

<u>FISCAL IMPACT – Local Government</u>	FY 2027 (10 Mo.)	FY 2028	FY 2029

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

**FISCAL DESCRIPTION**

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
