FISCAL ANALYSIS

ASSUMPTION

Repealing Expired, Terminated, Sunset, and Obsolete Statutes

Officials from the **University of Missouri System** assume the proposal has no significant increase to their organization.

Officials from the **Department of Revenue (DOR)** assume this proposal repeals numerous provisions in statutes that have expired or sunset.

DOR notes that several old and expired tax credits are in this proposal. The Alternative Fuel, Charcoal Producers, Distressed Area Land Assemblage, Dry Fire Hydrant, Enterprise Zone, Guarantee Fee, Manufacturing Jobs, New Markets, and Transportation Development tax credits. DOR notes that these credits have all expired and any carry forward on the programs have also expired. There is no fiscal impact expected from the repeal of these provisions.

DOR notes that the remaining sections of this bill will not fiscally impact DOR.

Officials from the **Attorney General's Office, Department of Commerce and Insurance, Department of Economic Development, Department of Elementary and Secondary Education, Department of Higher Education and Workforce Development, Department of Health and Senior Services, Department of Mental Health, Department of Corrections, Department of Public Safety (Division of Alcohol and Tobacco Control, Fire Safety, Office of the Director, Missouri Gaming Commission, Missouri Highway Patrol, Missouri Veterans Commission, State Emergency Management Agency), Department of Social Services, Missouri Department of Agriculture, Missouri Department of Conservation, Missouri National Guard, Missouri Department of Transportation, MoDOT & Patrol Employees' Retirement System, Office of Administration, Petroleum Storage Tank Insurance Fund, Office of the State Public Defender, Office of the State Treasurer, Missouri House of Representatives, Joint Committee on Public Employee Retirement, Legislative Research, Missouri Senate, Missouri Lottery Commission, Missouri Consolidated Health Care Plan, State Tax Commission, Office of the State Auditor, Office of the State Courts Administrator, Oversight Division and Missouri State Employee's Retirement System** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to a previous version, officials from the **Office of Administration - Administrative Hearing Commission, Department of Natural Resources, Department of Labor and Industrial Relations, Department of Public Safety-Capitol Police, Office of the Governor, Missouri Ethics Commission, and Office of the Lieutenant Governor** assumed the proposal

will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

In response to similar legislation, SB 757 (2025), officials from the **Office of Administration - Budget and Planning** assume this proposal has no direct impact on B&P, has no direct impact on general and total state revenues, and will not impact the calculation pursuant to Art. X, Sec. 18(e).

In response to similar legislation, SB 757 (2025), officials from the **Missouri Office of Prosecution Services** and **Joint Committee on Education** assumed the proposal will have no fiscal impact on their organization.

Rule Promulgation

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

In response to a previous version, officials from the **Office of the Secretary of State (SOS)** noted many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION
