FISCAL ANALYSIS

ASSUMPTION

§347.044 & 341.186 – Limited Liability Companies

Officials from the **Office of the Secretary of State (SOS)** state there are roughly 3,500 active individual series, many of which are not profiled. It takes roughly 5-10 minutes to profile and ensure that each individual series is searchable. This is equivalent to 290-585 hours of work (.25-.5 FTE). This cost can be absorbed.

This proposal allows each series to receive a Good Standing Certificate. As the current system is to allow one Certificate of Good Standing given to an LLC to be applied to all series created under the LLC, it is unknown how many companies will want to purchase these Certificates of Good Standing for each series.

The Secretary of State reserves the right to offset or request additional resources for estimated fiscal note impacts during the budget process.

Oversight assumes the proposal could result in additional filings and requests for certificates of good standing related to the series of limited liability companies. Any increase in filing fee revenue is indeterminate and dependent upon the number of businesses electing to form series under this section but is not expected to be significant. Therefore, Oversight will reflect no impact in the fiscal note.

<u>FISCAL IMPACT – Local Government</u>	FY 2027 (10 Mo.)	FY 2028	FY 2029

FISCAL IMPACT – Small Business

FISCAL DESCRIPTION
