## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Missouri Office of Prosecution Services** did not respond to **Oversight's** request for fiscal impact for this proposal.

#### §537.769 – Comparative Negligence or Fault

Officials from the **Office of the State Courts Administrator (OSCA)** state HB 2714 may have some impact but there is no way to quantify that amount currently. Any significant changes will be reflected in future budget requests.

**Oversight** notes OSCA assumes this proposal may have some impact on their organization although it can't be quantified at this time. As OSCA is unable to provide additional information regarding the potential impact, Oversight assumes the proposed legislation will have a \$0 or (Unknown) cost to the General Revenue Fund. For fiscal note purposes, Oversight also assumes the impact will be under \$250,000 annually. If this assumption is incorrect, this would alter the fiscal impact as presented in this fiscal note. If additional information is received, Oversight will review it to determine if an updated fiscal note should be prepared and seek approval to publish a new fiscal note.

Officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

**Oversight** does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Office of the State Public Defender** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This bill specifies that a plaintiff in an action for damages for personal injury, property damage, or wrongful death based on negligence or an unreasonably unsafe or dangerous condition will not be barred from recovering even if he or she may have been contributorily negligent or assumed a risk unless the plaintiff's negligence or fault is determined to be at least 50%. The bill specifies what the trier of fact must consider when determining fault and what the court must evaluate if multiple defendants are found liable. The provisions of this bill apply to any cause of action accruing on or after August 28, 2026.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
